WANTED: PARTNERS FOR THE JOURNEY

The Yorkshire Baptist Association (YBA) is called to grow healthy churches that are dependent upon God, intentional about discipleship, active in mission and committed to the transformation of local communities and the wider world.

WE ARE LOOKING FOR NEW TRUSTEES to work with our staff and other volunteers in the Association. This is a key role within the YBA as together we provide support and encouragement for our churches in sharing the Good News with their communities.

Trustees need to be people of integrity; prayerful, mission minded women and men who can think broadly and strategically; who have some experience of leadership (not necessarily in a church setting), and the time & energy to give to the task.

The members of our churches are a diverse community and so Trustees are needed who reflect that diversity, particularly, but not solely, in terms of age, gender and ethnicity.

Trustees should be members in good standing of a Baptist Church who are also prepared to offer creative leadership to Baptists together in the UK.

Trustees of the YBA also act as Directors of the company limited by guarantee.

CHURCH LEADERSHIP TEAMS ARE INVITED TO CONSIDER whether any members of their church might be suitable, willing and eligible to be considered as Trustees of the Association. A full job description for the role of Trustee is available on the YBA website at http://www.yba.org.uk/news-updates/search-for-new-trustees.php along with a proposal form.

Respecting the role of the local church to consider requests such as this, we ask that a proposal form be completed and sent to the Nominations Group for each suggested name, and that each form be affirmed by the diaconate or leadership of the church.

Please send names to the Association office in Headingley, for the attention of the Nominations Group, no later than Friday 19th September 2014.

Thank you
