

To all Baptist Churches in the Huddersfield District:

From the Rev'd Glenn and Chris Cannon ; Scapegoat Hill Baptist Church

Dear Churches and Colleagues in Ministry,

Chris and I presented the broad details of this extraordinary event at our recent 'Clergy Spouses' Barbeque – and it came as quite a surprise to most of those who were there... publicity has somehow slipped through the net. But we (Scapegoat Hill, Lockwood Baptist Church and Meltham Parish Church) got to attend the Launch invitation for this event in Wakefield in early June.

To say that we were completely stunned by the sheer quality and professionalism of this event would be a massive understatement! So much so, that our 3 churches decided to pre-order a total of 200 tickets for the event to take advantage of an early booking group discount, for **SUNDAY FEBRUARY 11th, 2018**, replacing our regular evening church services at home for that night.

With limited parking near the venue, and for keeping together we have booked coaches to take and return us to and from the First Direct Arena. (For those wishing to make their own way, a limited number of tickets are available without coach travel) We think that going by coach is the better option and gives an opportunity for socialising and discussion as we make our way homewards

Heaven on Earth is described as “a unique, live arena spectacular not to be missed!” The greatest story ever told comes spectacularly to life in this brand-new musical. Join us on an epic and inspirational journey and experience **state of the art digital technology, innovative staging, stunning choreography** with a cast of over 30 in this greatly anticipated event directed by one of the UK's finest directors.

It is a thoroughly professional production and is being staged in a tour of 14 major Event Arenas throughout the UK between Autumn 2017 and Summer 2018. Our own 'First Direct' Arena in Leeds will be the host arena for four days in February.

Written by Sara Jeffs the show features Director & Choreographer: **Racky Plews**; (*Footloose West End and Tour and Thoroughly Modern Millie Tour*); The Set Designer is **Jacqueline Pyle** – (*The Olympic Opening and Closing Ceremony (UK), Take That ; Live Tour*); and Musical Arranger is: **Geoff Alexander** – (*film music for Harry Potter, Robbie Williams Live Tour, Conductor for 'Gravity.'*)

Many members and friends from Scapegoat Hill Church have already reserved tickets and coach seats almost filling one of our booked coaches. But we are still able to offer Tickets and Coach seats to others in Huddersfield who wish to take this amazing opportunity with the advantage of a useful group discount.

It is certainly an event to which ***you could invite a friend or neighbour*** who perhaps does not normally attend a church, with a complete confidence that they would both enjoy and be challenged by the message it offers.

Tickets, together with coach transport (*there will be a number of selected pick up points between Scapegoat Hill / Golcar / Meltham and Huddersfield centre*) are available as follows:

Ticket and Travel to and From the First Direct Arena for the evening performance of "Heaven on Earth" **Sunday February 11th 2018** (Leaving Huddersfield at 6.00 pm)

£30.00 (Thirty Pounds) per seat.

(If each coach is filled there will be a small refund as we are operating on a 'not for profit' basis)

(Cheques payable to "Scapegoat Hill Baptist Church" please)

If you require admission by ticket without Coach Travel please contact Glenn Cannon for details and availability (see below)

With Peace, Joy and Hope in the name of our Lord Jesus Christ,

Glenn Cannon
