

**Children & Youth Pastor (Full Time)**  
**£19,500 - £22,000 per annum**

Do you want to lead a team that is part of a vibrant and growing community? An exciting opportunity awaits the successful applicant for this position.

Ebenezer Baptist Church consists of a main congregation based in Scarborough, a large Missional Community based in Whitby (Hope Whitby), and is gradually developing other Missional Communities in the Borough of Scarborough and surrounding areas.

We are looking for somebody with vision to oversee the development of missional discipleship amongst our children and youth, working closely with our Minister based in Scarborough and the Pastors of Hope Whitby, as well as the leaders of our various ministries. This will mean developing vision for missional discipleship amongst children and youth, developing volunteers to lead activities across our geography so that the role is sustainable, but it will also mean hands on working with our children and youth and being a role model to them in the various activities of the church and it's Missional Communities, in the schools, and in social contexts outside of church.

You can download the full job description and application form from our website:
