## **2018**

**Keynote lecture: *Preaching and Dishonesty: A Homiletical Reflection on Keeping it Real***

**Rev Glen Marshall, Co-Principal of NBC**

*When it comes to preaching, truth is a category that is much neglected, frequently taken for granted and often abused. I will engage with the thinking of Andrew Shanks, one of Rowan Williams' favourite contemporary theologians and a former Canon Theologian at Manchester Cathedral. In particular I will look at Shanks' notion of three dishonesties: disowning, banality, and manipulation. I will offer suggestions on how preaching might model a better way of handling truth, thus encouraging churches to grow as communities of honesty.*
